Description:

Transform your home entertainment experience with our innovative Tripod TV Stand for 32 to 75 Inch Screens up to 77 lbs, Height Adjustable Easel TV Stand with Cable Ties, TV Floor Stand with Wood Legs, 180° Swivel Corner TV Stand for Home Office

FEATURES

- **Wide Compatibility** Arti600 television stands are compatible with most flat and curved monitor screens on the market from 32" to 75" within 77.2 lbs, which can fit VESA mount patterns from 200x100mm to 600x400mm.
- **Very Sturdy** With a strong tripod structure and a wall fastening rope attached, this universal TV stand not only looks elegant and is also the best guarantee to support and protect your expensive devices.
- **Easy to Install** This no-drilling wood TV stand with tripod base is easy to set up by following the installation paper manual/online video. (An extra person can be helpful if you have a larger TV)
- **Lightweight Design** A 15-lb weight tall TV stand allows us to move our TV without the large footprint of a cabinet. We can put this TV stand in the bedroom, living room, office, outdoors, or at the trade show as a TV display stand.
- **More Flexible** If you need a TV stand with mount that can be adjusted in height, swivel, and tilt, but don't want to mount it on the wall, then this swivel TV stand will be the perfect choice for you.
- **Cable Management** The space looks neat and tidy with cables running through the clamps on the middle leg. With no messy cables on the floor, this modern TV stand is a great solution to keep your family safe.
